**Railroad Club**

An open house is planned at the Northwestern Illinois Model Train Club for Saturday June 11, from 10am to 4pm. We will have "HO" scale running in the basement. We are doing some remodeling on the main floor so we ask you to excuse the mess. We have the bench work done and are working now on track laying the new "HO" train layout upstairs. Sorry there may only be bench work to look at this summer. Make sure you bring your camera. We also have the busy BNSF right across the street.

This summer we have invited motorcycle members from GWRRA to bring their shiny motorcycles. We have also invited car show owners to bring their favorite rides. Come to see all of us show off our hobbies.

Enjoy your visit and make sure to sign our guest book. We are always welcoming new members to join and share their interest in trains. You can also join us on Facebook, just search for Northwestern Illinois Model Railroad Club.
