Chadwick Library News

Be sure to stop in the library to see the beautiful memorial to Kay Andressen. We call it "Kay's Choice" because the new oak bookcase is filled with books and puzzles that Kay would have enjoyed.

The bookcase, table, and chairs were donated in loving memory of his wife by Harold Andressen.

Thank you

I would like to thank the kind gentleman who stopped to help me when I fell on the ice in front of the library, the morning of Jan. 24th. It's reassuring to know that there are still people in our town who care about someone they don't even know.
