## **Chadwick Public Library News**

Stay safe until this crisis is over. When we can, we will post upcoming events such as the summer reading program, on our Facebook page, in the post office and the bank.

## **Railroad Club**

We sorry to inform the public at this time the Spring Open House in April is now canceled. We will be open later this year during Chadwick Festival. Stay well till then.

## **Village of Chadwick**

We hope everyone is trying to stay home to minimize their exposure because of the Covid-19 pandemic. There are many organizations out there that can assist in these trying times. The governor is monitoring the number of people contracting the disease. Since the number is continuing to climb, this pandemic is far from being over. That is why health care officials cannot stress enough the importance of staying away from others. It is not just affecting the older

population. Young people have contracted the virus also.

The Village Hall office is operating on fewer hours. Please leave messages and the calls will be returned.

## **Chadwick Special Events**

The Pizza Ranch event planned for April 6th has been cancelled as restaurants can only operate via curbside service or delivery.

## **Reminder:**

Old and unusable flags can be dropped off at Chadwick Library for proper disposal. The drop box is just inside the front door.

## **Fundraiser**

Please join us, John and Laura for our rescheduled fundraiser dinner, Sunday, April 26 from 5 to 8 PM at the Legion Hall. The plan is for us to go back to Hungary on our mission trip. Our hope and prayer is that the virus would be no longer a threat, however we acknowledge that it's all in God's control.
