Village of Chadwick

The election for seats on the village board and also for village president is coming up on April 6, 2021. Any resident of Chadwick who is interested in running for a seat on the village board or the president's office must file a petition between Dec. 14 and Dec. 21, 2020. Petitions may be obtained at the village hall office.

Friday yard waste pickup is over for this year and will start up again next spring.

Special Events Committee - Kid's Christmas

A Christmas picture to color along with a page to submit a Letter to Santa Claus are being distributed around town. Mom and Dad can pick them up at the Chadwick Library, the Post Office, TBK Bank, and Village Hall for their children 10 and under. After completion, please fold the two

sheets of paper together and deposit in the special Santa's Letters mailbox hanging outside of the Village Hall front door. No postage required. Please return by December 10th. Chadwick's Santa's Elves will be distributing a Christmas goody bag from those submissions, and names will be entered into a drawing for some special gifts. Make sure you let Santa know that you have been good this year!

Lion's Club

Although the Covid virus has disrupted our Lions' regular dinner meetings this year, we have accomplished some projects. Last month we installed along Highway 40 and in the Chadwick Cemetery the United States flags in honor of our Veterans. (The Chadwick Village Treasurer received a phone call from a Chicago suburb resident, who was passing through town, commending that loyal demonstration.) Some of the flags were damaged, some of which will be repaired by a Chadwick lady.

We were required to cancel the pork sandwich dinner after it was announced in last month's Chatter. We apologize to those loyal people that called to order sandwiches and had to be told of the 'last minute' cancellation. Christmas decorations were installed on Thanksgiving morning by the Club. As done in past years, fruit baskets will be made and distributed to Chadwick area's single elderly residents. We Served!
