Lions Club

The concrete blocks above the roof line on both ends of the Lions/Legion Hall have deteriorated and will have to be removed, replaced, and coated. Additionally, the areas above

the doors up to the blocks being replaced need to be tuck-pointed. The Club at an emergency meeting voted unanimously to proceed with the \$22,400 project. This is greater than the Club's current funds when adding the month to month expenses. It is the Club's hope that the Chadwick community will help with the restoration cost of the building that is utilized, community wide.

The Club is looking forward again to having the traditional food stand at the Carroll County Fair from August 3rd to the 7th. As in past years, the Club is asking for community help in working at the food stand.

The week after the Fair, the Club will host the Carroll County All Star baseball game at Handel Park.

On August 26th, from 1:30 to 6:30, the Lions will be hosting the annual American Red Cross blood drive. This event will be at the Lions/Legion Hall.
