

Village of Chadwick Beautification Project

This application is to help Village of Chadwick residents with purchasing materials only, for fixing, replacing or upgrading portions of the exterior of their home. The Village of Chadwick has selected funds of up to \$500.00 per resident, with five (5) residents being chosen in any given year. All applications will be reviewed on a monthly basis at the Village of Chadwick Committee Meetings and a decision being made at the following Village Board Meeting.

If you would like to submit your application to be reviewed before any given committee meeting, all portions of the application must be submitted. No application will be reviewed without all parts of the application being submitted. The "year" runs from May 1st to April 30th. Any applications submitted in April will be considered for the following year.

Rental properties will not be considered in this project. The applications must be submitted by the home owner and the property must be owner occupied. Only one project can be submitted on the application (i.e. roofing, gutters, windows, etc.). There are no income requirements for this application. Please make sure to have all items gathered before submission of the application.

By signing this agreement, you agree that you have completely and honestly answered all the questions on this application. You, as a Village of Chadwick resident, understand that by filling out this application you are not guaranteed the funds from the Village of Chadwick. The amount awarded to the resident chosen by the Village Board will receive the funds to cover materials only. If the material cost does not fulfill the full amount rewarded, the amount issued will only be for the amount of materials. You may only be awarded funds every two years from the month of the award. Reimbursement will be made after the purchase of materials has been made and the project intended to be done is completed. The Resident has six (6) months to complete the project from the time of approved application by the Village Board.
